Motion by Frederick B. Felch, second by James S. Eaton, to amend motion that words "Front End" be deleted and that the Article read "---- and install New Pump on the new Chassis ----."

Henry Kendrick stated that if this Article should go through, he wondered if the people would also give the Board of Engineers and the Selectmen the privilege of accepting a donation making it possible instead of an exchange, to get a complete outfit with tank and everything and to sell the old one as is.

Moderator stated there is an amendment on the floor but the Chair would entertain a resolution after we have completed the Article and the resolution may have a bearing on Article 15.

James S. Eaton asked Kendrick how much more money will be needed to buy the thing complete.

Kendrick stated a complete tank truck from the factory would cost about $14,500, but we can get a built one around here complete, tank and everything for possibly $9,500. Stated he had been asked if he would accept a $2,500 donation to complete it and the sale of the old truck would be added to it.

James S. Eaton stated that it would actually cost $11,000.

Kendrick stated that it would.

Emery N. Eaton asked Kendrick if the $2,500. donation is a Bona Fide donation.

Kendrick stated that he didn't know - that it might not even exist.

Emery N. Eaton stated "We don't want to vote on something we don't know about."

Kendrick agreed.

Moderator stated that was why he asked for it as a Resolution. Stated a Resolution can be submitted and then if it doesn't work out then the Resolution can be disregarded.

Moderator read the Amendment.
Amendment carried.

Moderator read Motion as amended.
Motion as amended carried.

Moderator stated he would now accept a Resolution.

Kendrick stated that he felt if the Article went through and $2,500. was made available could we accept $2,500. if donated.
Moderator stated we could accept it if the Body votes it.

Kendrick offered a Resolution that if a donation of $2,500. is made available to the Fire Department to help purchase a new complete truck with body that it be accepted.
Resolution accepted.

Moderator stated it was entirely up to the Selectmen and Board of Engineers whether this be accepted and placed as part of the payment of the equipment.

Emery N. Eaton stated that if he understood Mr. Kendrick, this equipment would not cost over $7,000. regardless.
Kendrick stated that this is not so.
Emery N. Eaton stated that in other words, Kendrick wants to increase this figure to $7,000. plus any gift that he might get.
Kendrick stated that he wants the $7,000. because, provided we get no donation whatsoever, it is going to cost $7,000. to change over - that's using this tank down here which is quite old - and if we get a donation there will be a tank built on it and it will be a complete new unit.
Emery N. Eaton stated Kendrick is setting a figure of $7,000. and now he's paving the way where $9,500 can be spent.

Moderator stated it is only a Resolution. It doesn't have to be accepted by the Board unless the Board can work it out. Stated it must be understood by the Body that the Resolution effects the Article only insofar as can be worked out by the Selectmen and the Fire Chief. If nothing can be worked out, the Article as voted will stand. Asked Emery N. Eaton if that was clear.
Emery N. Eaton stated that it was clear.

ARTICLE 16 read by the Moderator: - To see if the Town will vote to raise and appropriate the sum of $8,500. to be applied toward the purchase price of the vehicles and equipment specified in the foregoing Articles 13, 14 and 15.

Motion by George A. Weare, Jr., second by Frederick B. Felch, that Article 16 be adopted as read and that the sum of $8,500. be raised and appropriated.
Motion carried.

ARTICLE 17 read by the Moderator: - To see if the Town will vote to raise and appropriate a sum not exceeding $20,000. representing the balance of the purchase price of the vehicles and equipment specified in the foregoing Articles 13, 14, and 15, said sum to be borrowed by the issue and sale of bonds or notes of the Town ----, said bonds or notes to mature over a period not to exceed two years ----.

Motion by James S. Eaton, second by Frederick B. Felch, that Article 17 be adopted as read and the sum of $20,000. be appropriated.
Motion by Emery N. Eaton, second by Frederick B. Felch, that paper ballots and check lists be used.
Ballot box inspected and declared empty of foreign material.
Moderator instructed body in proper use of the Yes and No ballots and all those who desired to vote were to obtain ballot from Town Clerk.
Polls declared open.
Polls declared closed after Moderator inquired if all who desired to vote had voted.
78 votes cast.
Yes - 71 No - 7
